

# 1<sup>st</sup> Safar 1429

**Friday 8<sup>th</sup> February 2008** for Mu'mineen in the south west part of USA and Hawaii.

**Saturday 9<sup>th</sup> February 2008** for Mu'mineen in the rest of the world.

Based on our community sighting criteria, the crescent would be sighted in the south western parts of USA on Thursday 7<sup>th</sup> February 2008. Mu'mineen in Los Angeles should be the first to be able to sight the crescent.

Should the crescent be sighted as expected, in accordance with the rulings of Ayatullah Seestani (based on the Theory of Differing Horizons), 1<sup>st</sup> Safar 1429 will be on Friday 8<sup>th</sup> February, 2008 for Mu'mineen in the south western parts of USA and in Hawaii. Saturday 9<sup>th</sup> February, 2008 for Mu'mineen residing in the rest of the world.

Calculations for determining the possibility of crescent sighting in London for Safar 1429.  
(All times are local London time.)
