

## 1<sup>st</sup> Dhu al Qa'dah 1428

**Sunday 11<sup>th</sup> November 2007** for Mu'mineen residing in southern parts of South America.

**Monday 12<sup>th</sup> November 2007** for Mu'mineen in the rest of the world.

Based on our community sighting criteria, the crescent would not be sighted anywhere on earth on Friday 9<sup>th</sup> November, 2007. The first sighting of the crescent should InshaaAllah occur in south Atlantic Ocean on Saturday 10<sup>th</sup> November, 2007. Mu'mineen in Argentina should be the first to be able to sight the crescent.

Should the crescent be sighted as expected, in accordance with the rulings of Ayatullah Seestani (based on the Theory of Differing Horizons), 1<sup>st</sup> Dhu al Qa'dah 1428 will be on Sunday 11<sup>th</sup> November, 2007 for Mu'mineen residing in southern parts of South America.

Monday 12<sup>th</sup> November, 2007 for Mu'mineen in the rest of the world.

Calculations for determining the possibility of crescent sighting in London for Dhu al Qa'dah 1428. (All times are local London time.)
