

In the Name of Allah, the Beneficent the Merciful

"I don't pray for His acceptance of my amal as much as I pray for the opportunity to serve. And the day He grants me a new opportunity to serve, I believe the previous ones have been accepted. And I hope till my last breath the opportunities are there and when the Almighty calls me back, I will be able to tell my Lord, Thank You for giving me life, Thank You for giving me life."
