

1st Rajab 1428

Monday 16th July 2007 for Mu'mineen all over the world except for those residing in New Zealand and the northern parts of Asia and Europe.

Tuesday 17th July 2007 for Mu'mineen in the rest of the world.

Based on our community sighting criteria, the crescent would not be sighted anywhere on earth on Saturday 14th July 2007. The first sighting should InshaaAllah occur in Western Pacific Ocean on Sunday 15th July, 2007. Mu'mineen in New Guinea should be the first to be able to sight the crescent.

Should the crescent be sighted as expected, in accordance with the rulings of Ayatullah Seestani (based on the Theory of Differing Horizons), 1st Rajab 1428 will be on Monday 16th July, 2007 for Mu'mineen all over the world except for those residing in New Zealand and the northern parts of Asia and Europe.

Tuesday 17th July, 2007 for Mu'mineen in the rest of the world.
