

1st Ramadhaan 1428

Thursday 13th September 2007 for Mu'mineen residing in the East Indies, South India, Saudi Arabia, sub-Sahara Africa, South and Central America and the Southern Belt of USA.

Friday 14th September 2007 for Mu'mineen in the rest of the world.

Based on our community sighting criteria, the crescent would not be sighted anywhere on earth on Tuesday 11th September 2007. The first sighting of the crescent should InshaaAllah occur in the East Indies on Wednesday 12th September, 2007. Mu'mineen in Jakarta, Indonesia should be the first to be able to sight the crescent.

Should the crescent be sighted as expected, in accordance with the rulings of Ayatullah Seestani (based on the Theory of Differing Horizons), 1st Ramadhaan 1428 will be on Thursday 13th September, 2007 for Mu'mineen residing in the East Indies, South India, Saudi Arabia, sub-Sahara Africa, South and Central America and the Southern Belt of USA.

Friday 14th September, 2007 for Mu'mineen in the rest of the world.
