

## 1<sup>st</sup> Rabi' al Thaani 1428

**Wednesday 18<sup>th</sup> April 2007** for Mu'mineen residing in Alaska.

**Thursday 19<sup>th</sup> April 2007** for Mu'mineen in the rest of the world except for those residing in New Zealand and Australia.

**Friday 20<sup>th</sup> April 2007** for Mu'mineen residing in New Zealand and Australia.

Based on our community sighting criteria, the first sighting of the crescent should InshaaAllah occur in Northern Pacific Ocean on Tuesday 17<sup>th</sup> April, 2007. Mu'mineen in Anchorage, Alaska should be the first to be able to sight the crescent.

Should the crescent be sighted as expected, in accordance with the rulings of Ayatullah Seestani (based on the Theory of Differing Horizons), 1<sup>st</sup> Rabi' al Thaani 1428 will be on Wednesday 18<sup>th</sup> April, 2007 for Mu'mineen residing in Alaska.

Thursday 19<sup>th</sup> April, 2007 for Mu'mineen in the rest of the world.

Calculations for determining the possibility of crescent sighting in London for Rabi' al Thaani 1428. (All times are local London time.)
