Ramadhan 2017

The Ramadhan programs were held at the Kuca Bosanka Centre. Iftaars were served every second night. The programs started with Du'a Iftitah followed by a lecture, salaah and Iftaar. The lectures were delivered mainly by Bosnian Shia zakirs. The majority of the participants consisted of the local Muslim community where about 20 to 70 guests gathered each night.

Foundation Zivot had its second Summer Workshop for boys and girls. The program for boys was organized from 19 to 23 August and from 26-30 August for girls. It was held at Babanovac, a mountain village 140 kilometres from Sarajevo. Six boys and nine girls have participated.

Books

We have published the book *Towards Eternal Life* which explains what happens to us when we leave this world in a rational and logical way. The book will be sent to individuals from our mailing list as well as to the libraries of some religious institutions, like madrasas, and cultural centres in Bosnia. Also, we have purchased 200 copies of *Nahjul Balagha* in Bosnian language for distribution.

Muharram 2017

There were ten programs each starting with Ziyarat al-Warith followed by main lecture, mersiya and dinner. We have produced a qasida titled 'Ne gledaj, Zahra!' (Do not watch, ya Zahra!) in collaboration with a professional sound and video production company. On the Ashura day we travelled to Sarajevo Husainiyya for the central programme where the lovers of Ahlulbait a.s. from all over Bosnia came together.

Boris Antunovic: I am a Montenegrin but the poem (about Imam Husain, as) was fantastic... He's watching us from the heaven now ... Glory be to him...
