

KHUMS

2018 REPORT

Khums is a compulsory religious obligation for Shia Muslims. It refers to paying a religious tax of one fifth (20%) on, most commonly, your earnings after deducting your expenses.

The khums payment is split into two equal parts; one half is given to Sehme Imam, who is the Imam of the time (or in his absence, an appointed spiritual leader) to be spent in the way of the religion, and the other portion is spent on Sehme Sadat, which is given towards descendants of the Prophet (S) who are orphans, needy persons or stranded travellers.

We are honoured to have permission from His

Eminence al-Sayyid Ali al-Sistani (may God protect him) to collect khums payments on his behalf and to disperse the Sehme Imam portion on religious projects.

In this report, we have highlighted how the khums funds we have received have been disbursed across multiple projects in line with the guidance from His Eminence.

Thanks to our Zero% Admin Policy, by paying your khums through The World Federation, you can be sure that your payment will only be used for projects that can be financed by khums, with no overhead costs.

- Promoting the Islamic Shia Ithna-Asheri faith in Bosnia, primarily through the translation and printing of publications. So far, 15 books have been translated by Zivot Foundation into Bosnian. One of these books, Towards Eternal Life by Shaykh Bahmanpour, has been distributed to community members and the libraries of some Madrasas and cultural centres.
- We support tableegh in Kosovo via a local organisation called NISA. NISA publishes 1500 copies of VLERA Magazine four times a year. This publication covers important topics such as family values, good morals, and the biographies of holy personalities.
- Support for Tahrike Tarsile Qur'an, Inc, a Qur'an Publishing Company who have been publishing Qur'ans nearly 30 years ago in New York.
