

Sister Jerrmein Abu Shahba obtained her BS in Biology and MS in Chemistry from Rutgers State University of NJ. She recently obtained her second master's degree in Exegesis and Quranic Sciences.

Sister Jerrmein is a Clinical Research Scientist by profession and is a Certified Life and Health Coach. Her passion is to serve the Muslim community via coaching and mentoring youth and adults in setting and achieving their goals, overcoming struggles of life, and creating long-term transformation within the self, with Islamic guidance and practical solutions. She has also served as Project Manager for the World Federation's Madinah and Bab Al-Ilm Course in 2014-2015.
